

Map Reading - Chilham

Name _____

1

Learning where north is on a map

Label the four main compass points: north, south, east and west on the compass on the map. If you can, add the four points in between. Use your compass to help.

2

Identifying landscape features

Locate a wood on the map and label it 'Woodland'.

Locate a footpath on the map and label it 'footpath'.

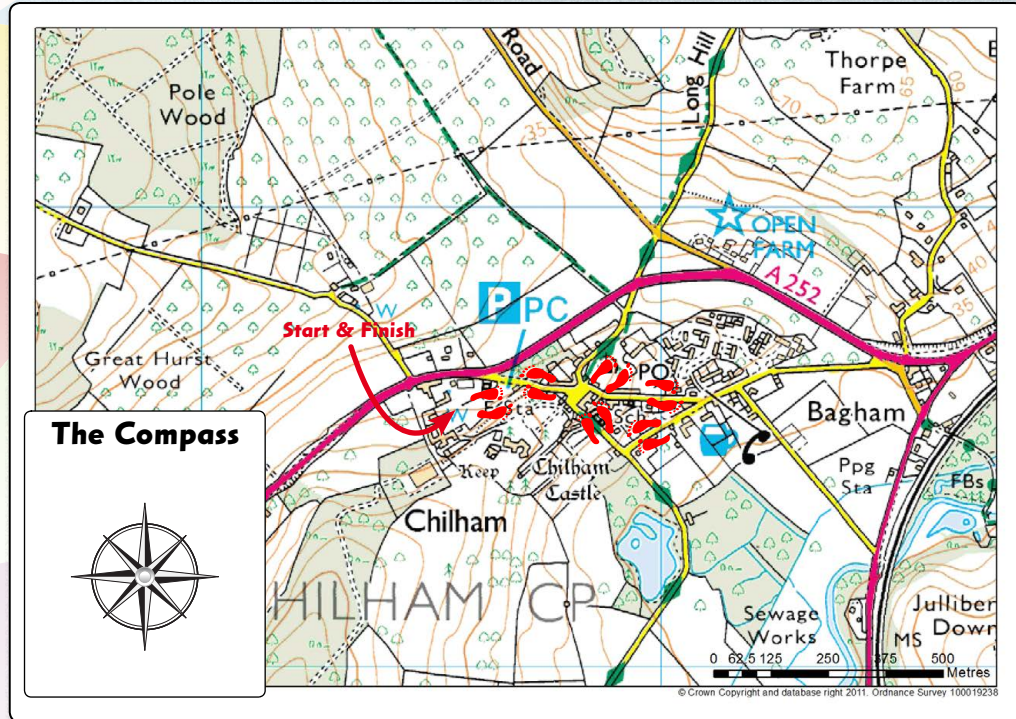

3

Reading the key and recognising landscape features on the map

Find two features you can see in the key but cannot find on the map and write the answers in the boxes.

1.

2.

The Compass

Key
